All DIETs, Himachal Pradesh

**Subject: Regarding Continuation/Discontinuation of Job Roles to be implemented for the Academic Session 2023-24 in Vocational Schools in HP.**

Sir,

This is regarding the subject cited above wherein, with reference to Ministry of Education Letters D.O. No.1-2/2020-IS-16, Dated 3<sup>rd</sup> April, 2023, F.No.1-2/2020-IS-16, Dated 23<sup>rd</sup> March 2023 and D.O.No.1-2/2012-VE (Vol-II)(Pt), Dated 30<sup>th</sup> January 2023, there are certain guidelines regarding the implementation of new Job Roles for Vocational Education.

In this regard, for the **Electronic and Hardware Sector**, in place of discontinued job role of "Field Technician-Other home appliances" (QP Code-ELE/Q3104) for Class 9 and 10, a new job role of "**Junior Field Technician-Home Appliances**" (QP Code- ELE/Q3117) has been approved for implementation in the State. For the **Private Security Sector**, a new job role for Class 11 and 12, namely "**CCTV Video Footage Auditor**" (QP Code: MEP/Q7205) has been approved from 2023-24. Whereas, in **Media & Entertainment Sector**, **Job Role of Story Board Artist for class 9 & 10 has been discontinued from the session 2023-24.** The detail of Job Roles to be continued/discontinued for all the sectors effective from 2023-24 have been enclosed (Annexure-'A').

You are, therefore, requested to convey to all the related Vocational Schools under your District to start the enrolment of students in class 9 & 11, wherever applicable. As per NEP 2020 guidelines, all students need to undergo Vocational Education. So the number of students to be enrolled in aforementioned classes can be more than 40 (discarding the earlier bar of only 40 students per class). Thus, the information of enrolment beyond 40 should also be conveyed to all the Vocational Schools in your District.

Yours Faithfully,

State Project Director (ISSE)  
Himachal Pradesh, Shimla-1
